

Remarks:

Claims 22-42 are pending in this application. Applicants have rewritten the claims to delete multiple dependencies to reduce the filing fee. Applicants have also rewritten the claims to delete reference characters. The present invention is not limited to any embodiment described in the specification or shown in the drawings. Furthermore, Applicants have rewritten the claims to bring them more in line with typical U.S. format. Additionally, Applicants have amended the specification to add cross-reference to the priority application, to add some section headings and to delete reference to the claims. Furthermore, Applicant presents an abstract of the disclosure herewith on a separate sheet.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Respectfully submitted,

Date: 12/22/05
